Statement of action to address the cost of Kirkoswald CE School's school day

This statement has been formulated using 'Turning the page on poverty: A practical guide for education staff to help tackle poverty and the cost of the school day', and has been discussed with local Headteachers, ensuring shared understanding within the local cluster schools. https://children-ne.org.uk/turning-the-page-on-poverty

At Kirkoswald CE School we aim to:

- o Provide a full curriculum for all to ensure equity of experience for all pupils
- Connect learning with the lives and contexts of our pupils and to value their knowledge and experiences
- Actively encourage every student's voice in the classroom in order to create a safe and engaging environment for learning
- Ensure school staff understand the local context and community so we can better view the world from the perspective of our pupils
